*Also by the author:*

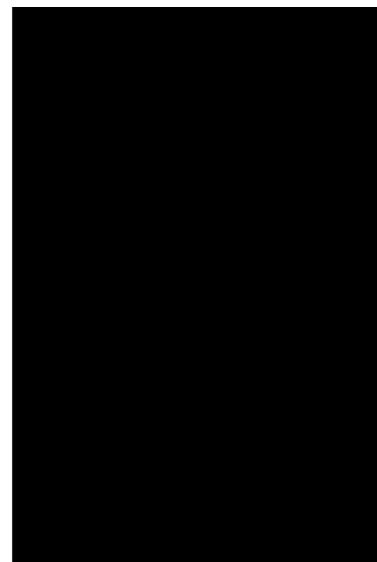

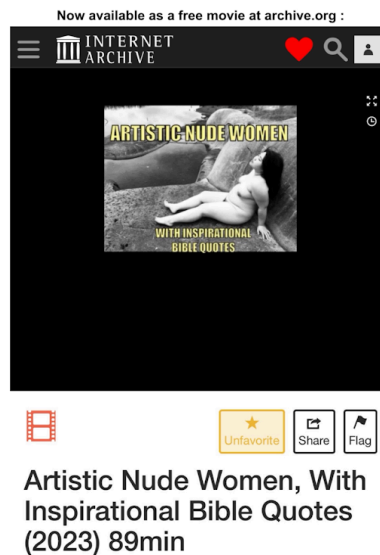

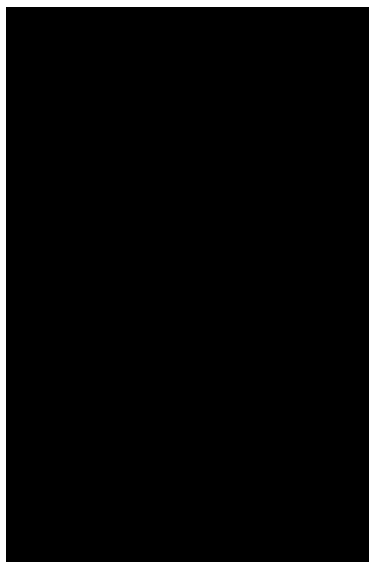

*In a futuristic world of the late 21st century, an ageing woman and her girlfriends decide to share the same man.*

*Millions of men have renounced relationships in favour of robots. But most women still crave relationships with real humans.*

*Meet Angelique: her friends think she's nuts - and they're not far wrong. She decides to share her man with her best friend. Then her best friend meets a sensual woman in her 70s, with a fetish for domination. What ensues is a crazy series of adventures (and misadventures). It all escalates when Angelique meets a shy, submissive woman who wants to break out of her shell - someone who can become her slave.*
